4. Dr Radoslav Gajanin, Rector of the University of Banja Luka;
5. Dr Zlatan Kovačević, Dean of the Faculty of Agriculture, University of Banja Luka;
6. Dr Nataš Poklar Ulrih, Dean of Biotechnical Faculty, University of Ljubljana;
7. Dr Wilhelm Pflanz, Dean of the Faculty of Agriculture, Food and Nutrition, Weihenstephan-Triesdorf University of Applied Sciences;
8. Dr Bogdan Stepien, dean of the Faculty of Life Sciences and Technology, Wroclaw University of Environmental and Life Science;
9. Dr Nedeljko Tica, Dean of the Faculty of Agriculture, University of Novi Sad;
10. Dr Božidarka Marković, Dean of Biotechnical Faculty, University of Montenegro;
11. Dr Pavel Ryant, Dean of Faculty of AgriSciences, Mendel University in Brno;
12. Dr Maurizio Raeli, Director of Mediterranean Agronomic Institute of Bari;
13. Dr Vojislav Trkulja, Director of Agricultural Institute of the Republic of Srpska;
14. Dr Marina Antić, Director of the Institute of Genetic Resources of the Republic of Srpska;
15. Dr Jegor Miladinović, Director of the Institute of Field and Vegetable Crops Novi Sad;
16. Dr Andrei Jean-Vasile, Director/Scientific Coordinator, RebResNet Scientific Network;
17. Boban Ilić, SWG Secretary General.

KEYNOTE SPEAKERS

Dr. Aleksandra Martinovska Stojcheska is Professor and Head of the Department of Agricultural Policy at the Institute of Agricultural Economics, Faculty of Agricultural Sciences and Food, Ss. Cyril and Methodius University in Skopje (North Macedonia). She teaches farm cost management and budgeting, business analysis, farm accounting and valuations in agriculture. Her research interests are in the area of economic and technical performance in agriculture, efficiency and productivity analysis, cost of production, cost-benefit analysis, and lately also farmer behavior in decision-making and strategic choices, stakeholder and value-chain analysis, economic aspects of climate change, as well as agricultural and rural development policy. She participated in various national and international projects. Her national and international scientific collaboration includes participation in expert discussion groups,

organization of multi-actor events, peer-reviewing of scientific publications, communication and dissemination of research results in publications. She is member of the National IPARD Monitoring Committee, National Liaison to the European Association of Agricultural Economics, and Key Expert in the National Convention for the EU-MK.

Dr. Ordan Chukaliev is professor in Irrigation of Agricultural Crops, Ss. Cyril and Methodius University in Skopje, Faculty of Agricultural Sciences and Food (North Macedonia). Also, he is holding the position of the Vice Rector for International cooperation, Ss. Cyril and Methodius University in Skopje. He has more than 25 years of experience in teaching of irrigation of agricultural crops for undergraduate, graduate and doctoral students. Moreover he has about 35 years of experience as researcher in the field of agriculture, particularly the effect of the environmental factors on crop yield, environmentally friendly agriculture, irrigation, water saving, increasing of water and fertilizer use efficiency in agriculture, climate change, development of innovations, smart agriculture, biomass and bioenergy. During the last 25 years he has participated in more than 50 international projects as project leader, national team leader,

participant, international expert and consultant. Moreover, he has been worked as senior researcher - GH-40 at MARS Unit of the Joint Research Center of European commission in the period 2012-2014. He has prepared number of international and national reports related to climate change, agriculture and environment, as well as feasibility studies for construction of the irrigation schemes. He has been invited to present results of his activities on number of conferences, symposia and workshops at national and international level.

Dr. Vlado I. Kovacevic is Research Associate at the Institute for Agricultural Economics Belgrade (Serbia). He completed his BSc, MSc and PhD at the Faculty of Agriculture in Zemun, University of Belgrade. Completed numerous courses and training in the field of agricultural economy in the USA, Europe and Japan. Fellow of the Ministry of Science and Technology of the Republic of Serbia from 1997 to 2001. From 2002 to 2003 he worked as a broker in the financial market. From 2003 to 2006 worked in the Ministry of Agriculture, Forestry and Water Management - advisor in the sector for international cooperation. In 2006-2008 worked at TD Waterhouse Edmonton, Canada. From 2008-2016 worked in the Ministry of Agriculture, Trade, Forestry and Water Management as an advisor to the Minister. Since 2016 he has been working a research associate at the Institute for Agricultural Economics Belgrade.

He has been engaged in a number of external IEP research projects.

REGISTRATION FEE

	<u>Amount</u>
Symposium participants	70 € (140 KM)
Students	50 € (100 KM)
Accompanying persons	35 € (70 KM)

The registration fee, in addition to the right to participate in the Symposium, provides:

- Electronic copies of Book of Abstracts and Proceedings of the Symposium AgroReS 2021;
- Electronic copies of the Agro-knowledge Journal, Vol. XXI, 2021;
- Welcome cocktail and cultural evening (26 May);
- Refreshment during breaks (27, 28 and 29 May);
- Gala dinner (28 May);
- Field visit and sightseeing tour (29 May).

Each Symposium participant must pay one of the registration fees. At least one registration fee must be paid for each presented or published abstract/paper. The registration fee can be paid in advance through the bank transfer or on the spot in cash. The Symposium participants cover the remaining costs of participation, which are not included in the registration fee.

If the symposium be held online, participants will not pay registration fee.

IMPORTANT DATES

15 January 2021	First Announcement
15 March 2021	Second Announcement
31 March 2021	Deadline for abstract or paper submission
30 April 2021	Deadline for acceptance of abstracts or papers
10 May 2021	Third Announcement
1 May 2021	Deadline for sponsorship arrangements
20 May 2021	Symposium programme and Book of Abstracts and Proceedings

The situation with the COVID-19 virus will be seriously considered and its development monitored, and epidemiological recommendations by the end of May 2021.

Therefore, there are **two scenarios** for organizing AgroReS 2021 symposium. The first scenario is to realize the Symposium **online** through one of the virtual platforms. The second scenario is to realize the Symposium **by live gathering on site**. In the first case the online sessions will be on 27 and 28 May, and in the second case the schedule of activities is as follows:

26 May 2021	Arrival and registration of participants
27 May 2021	Opening ceremony and Plenary session with keynote speakers
28 May 2021	Parallel work in four sessions and Round table
29 May 2021	Field visit and sightseeing tour
